## MINI-CARAWAGON

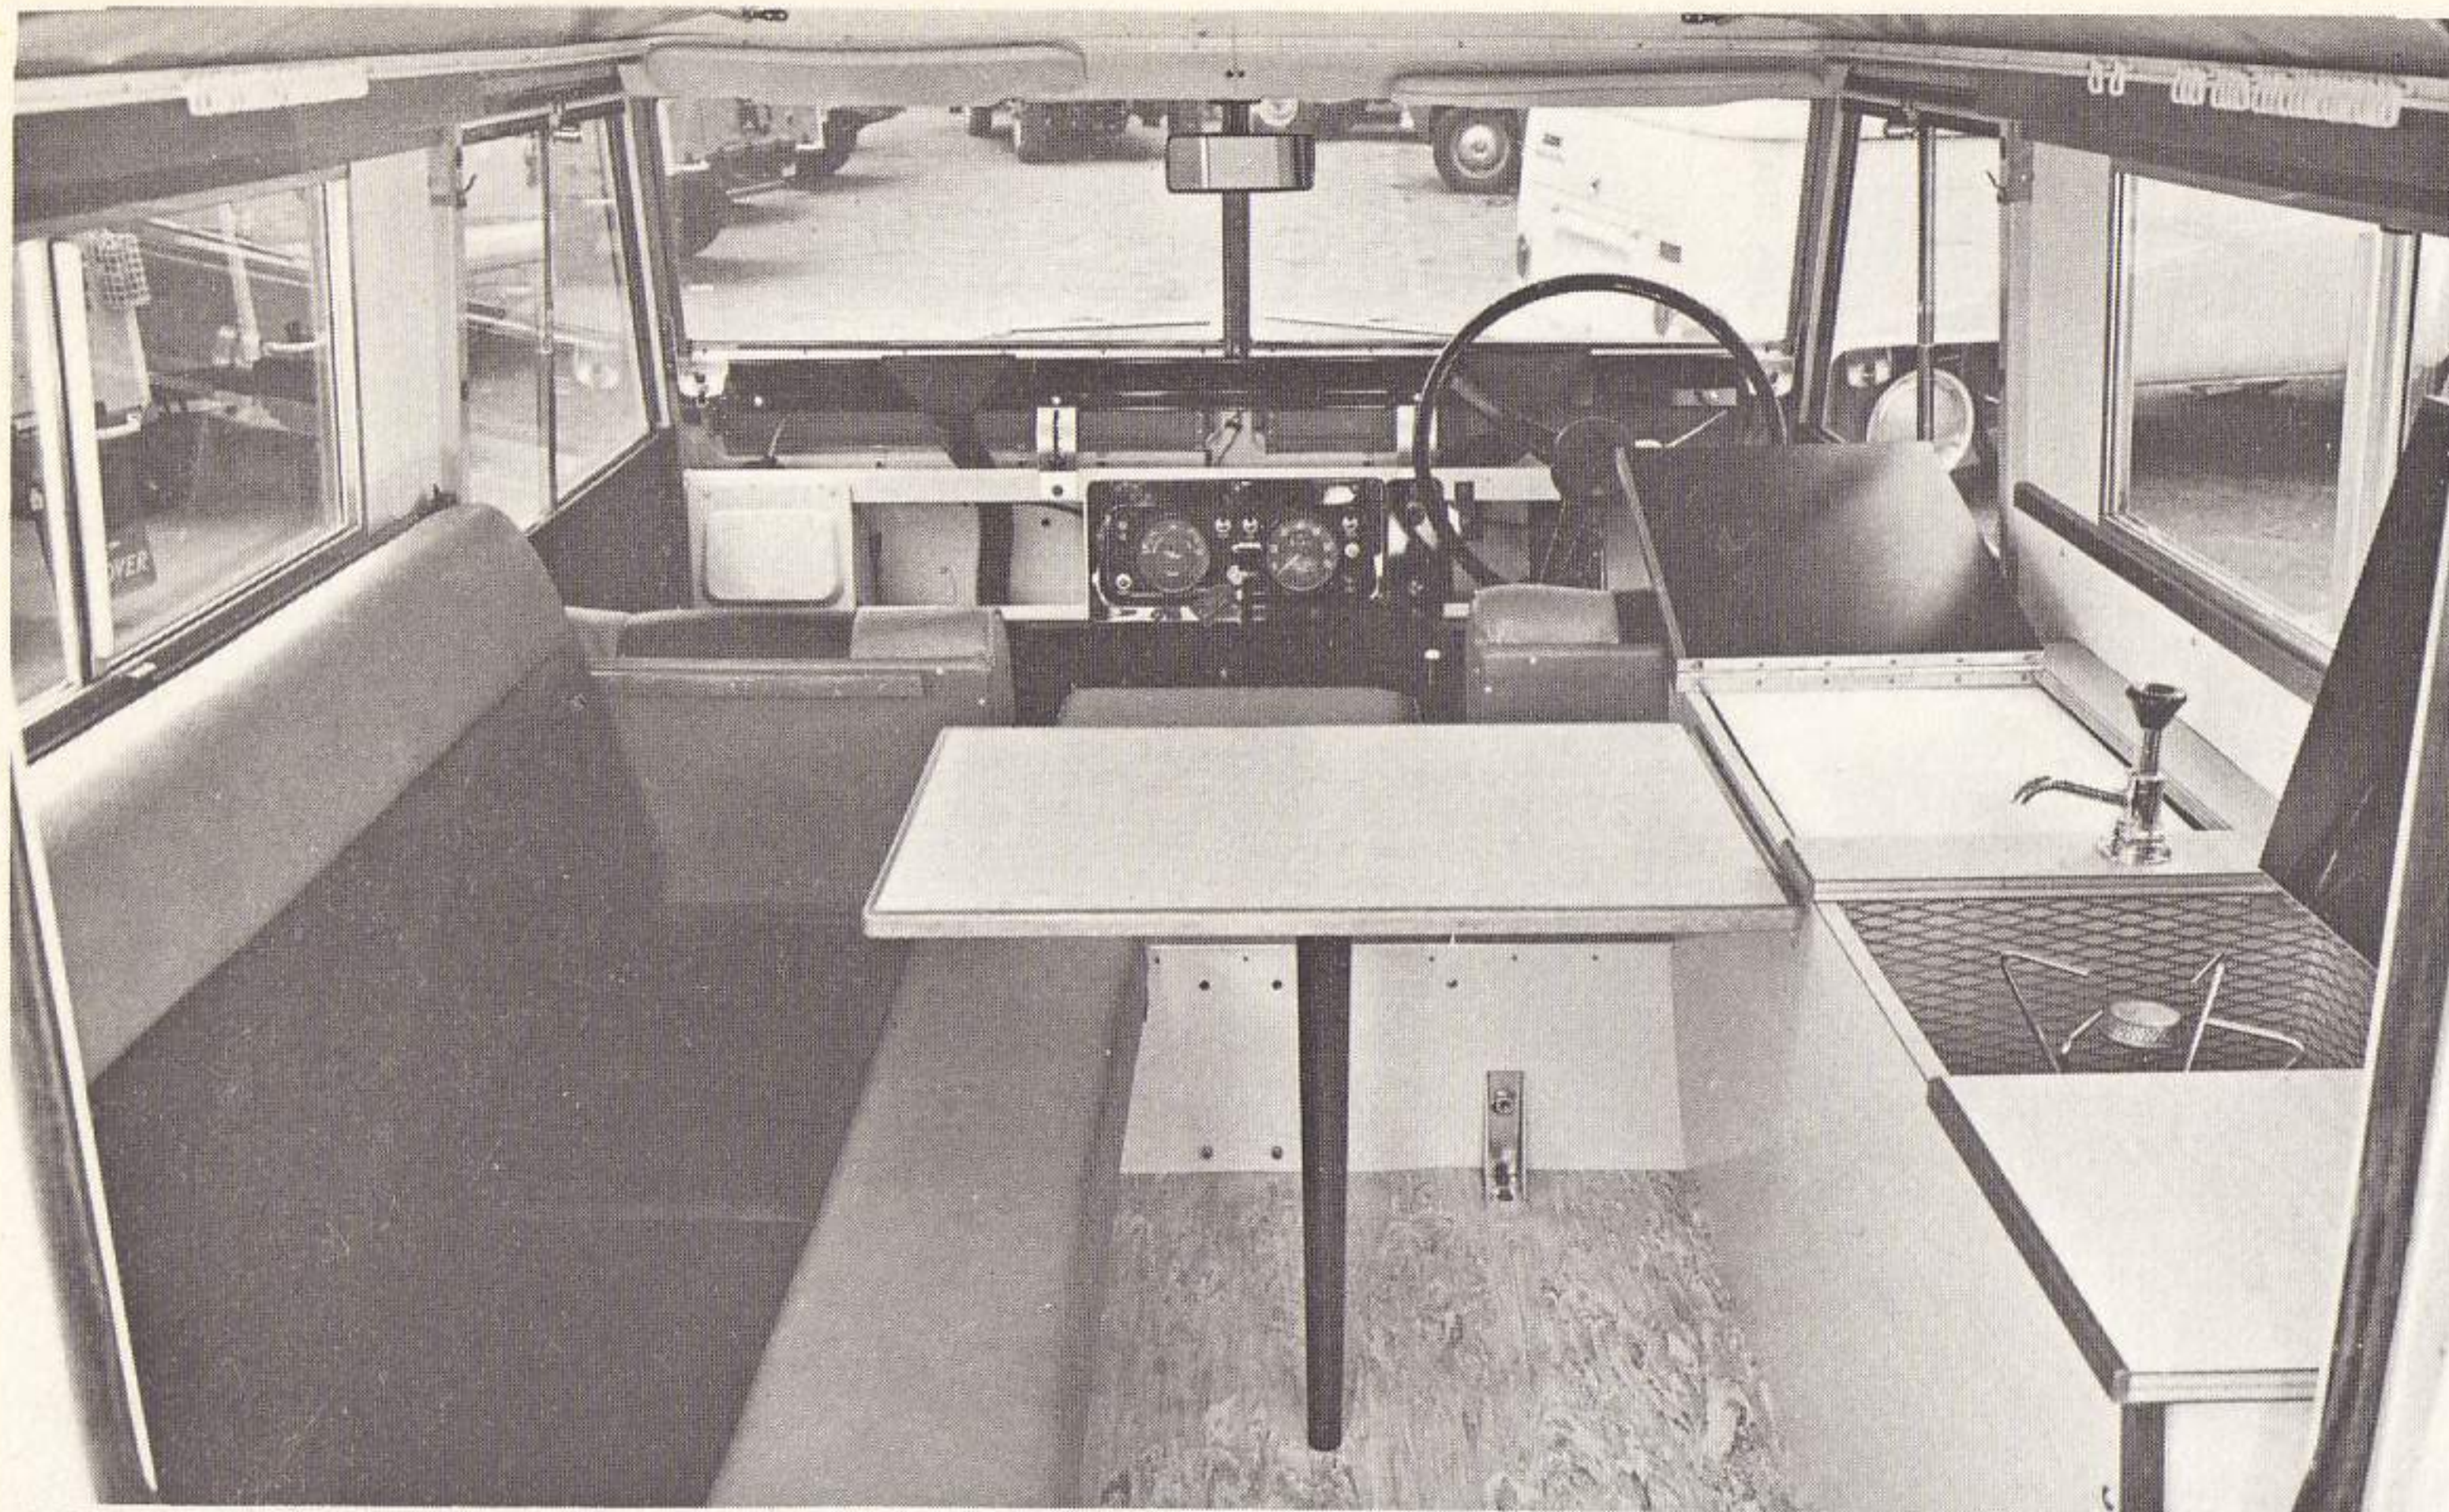

*THE MINI-CARAWAGON is the go-anywhere vehicle with saloon car convenience plus full day and overnight facilities for two, in addition to the towing and carrying capacity well known of the Land-Rover.*

THE SMALLER BROTHER OF THE CARAWAGON, PROVIDES:—Luxury seating for four when travelling . Sleeping accommodation for two on full length divan . Dining or writing facilities at the foldaway table . Wash bowl with external drain fed by faucet pump . 2-4 gallon water containers, bumper mounted when travelling . Butane stove fed from integral 8 lb cylinder . Top opening storage for provisions . Roof length pockets for day to day paraphernalia . Curtained wardrobe enclosure providing 36" hanging height . Centre storage compartment for bedding with padded armrest top.

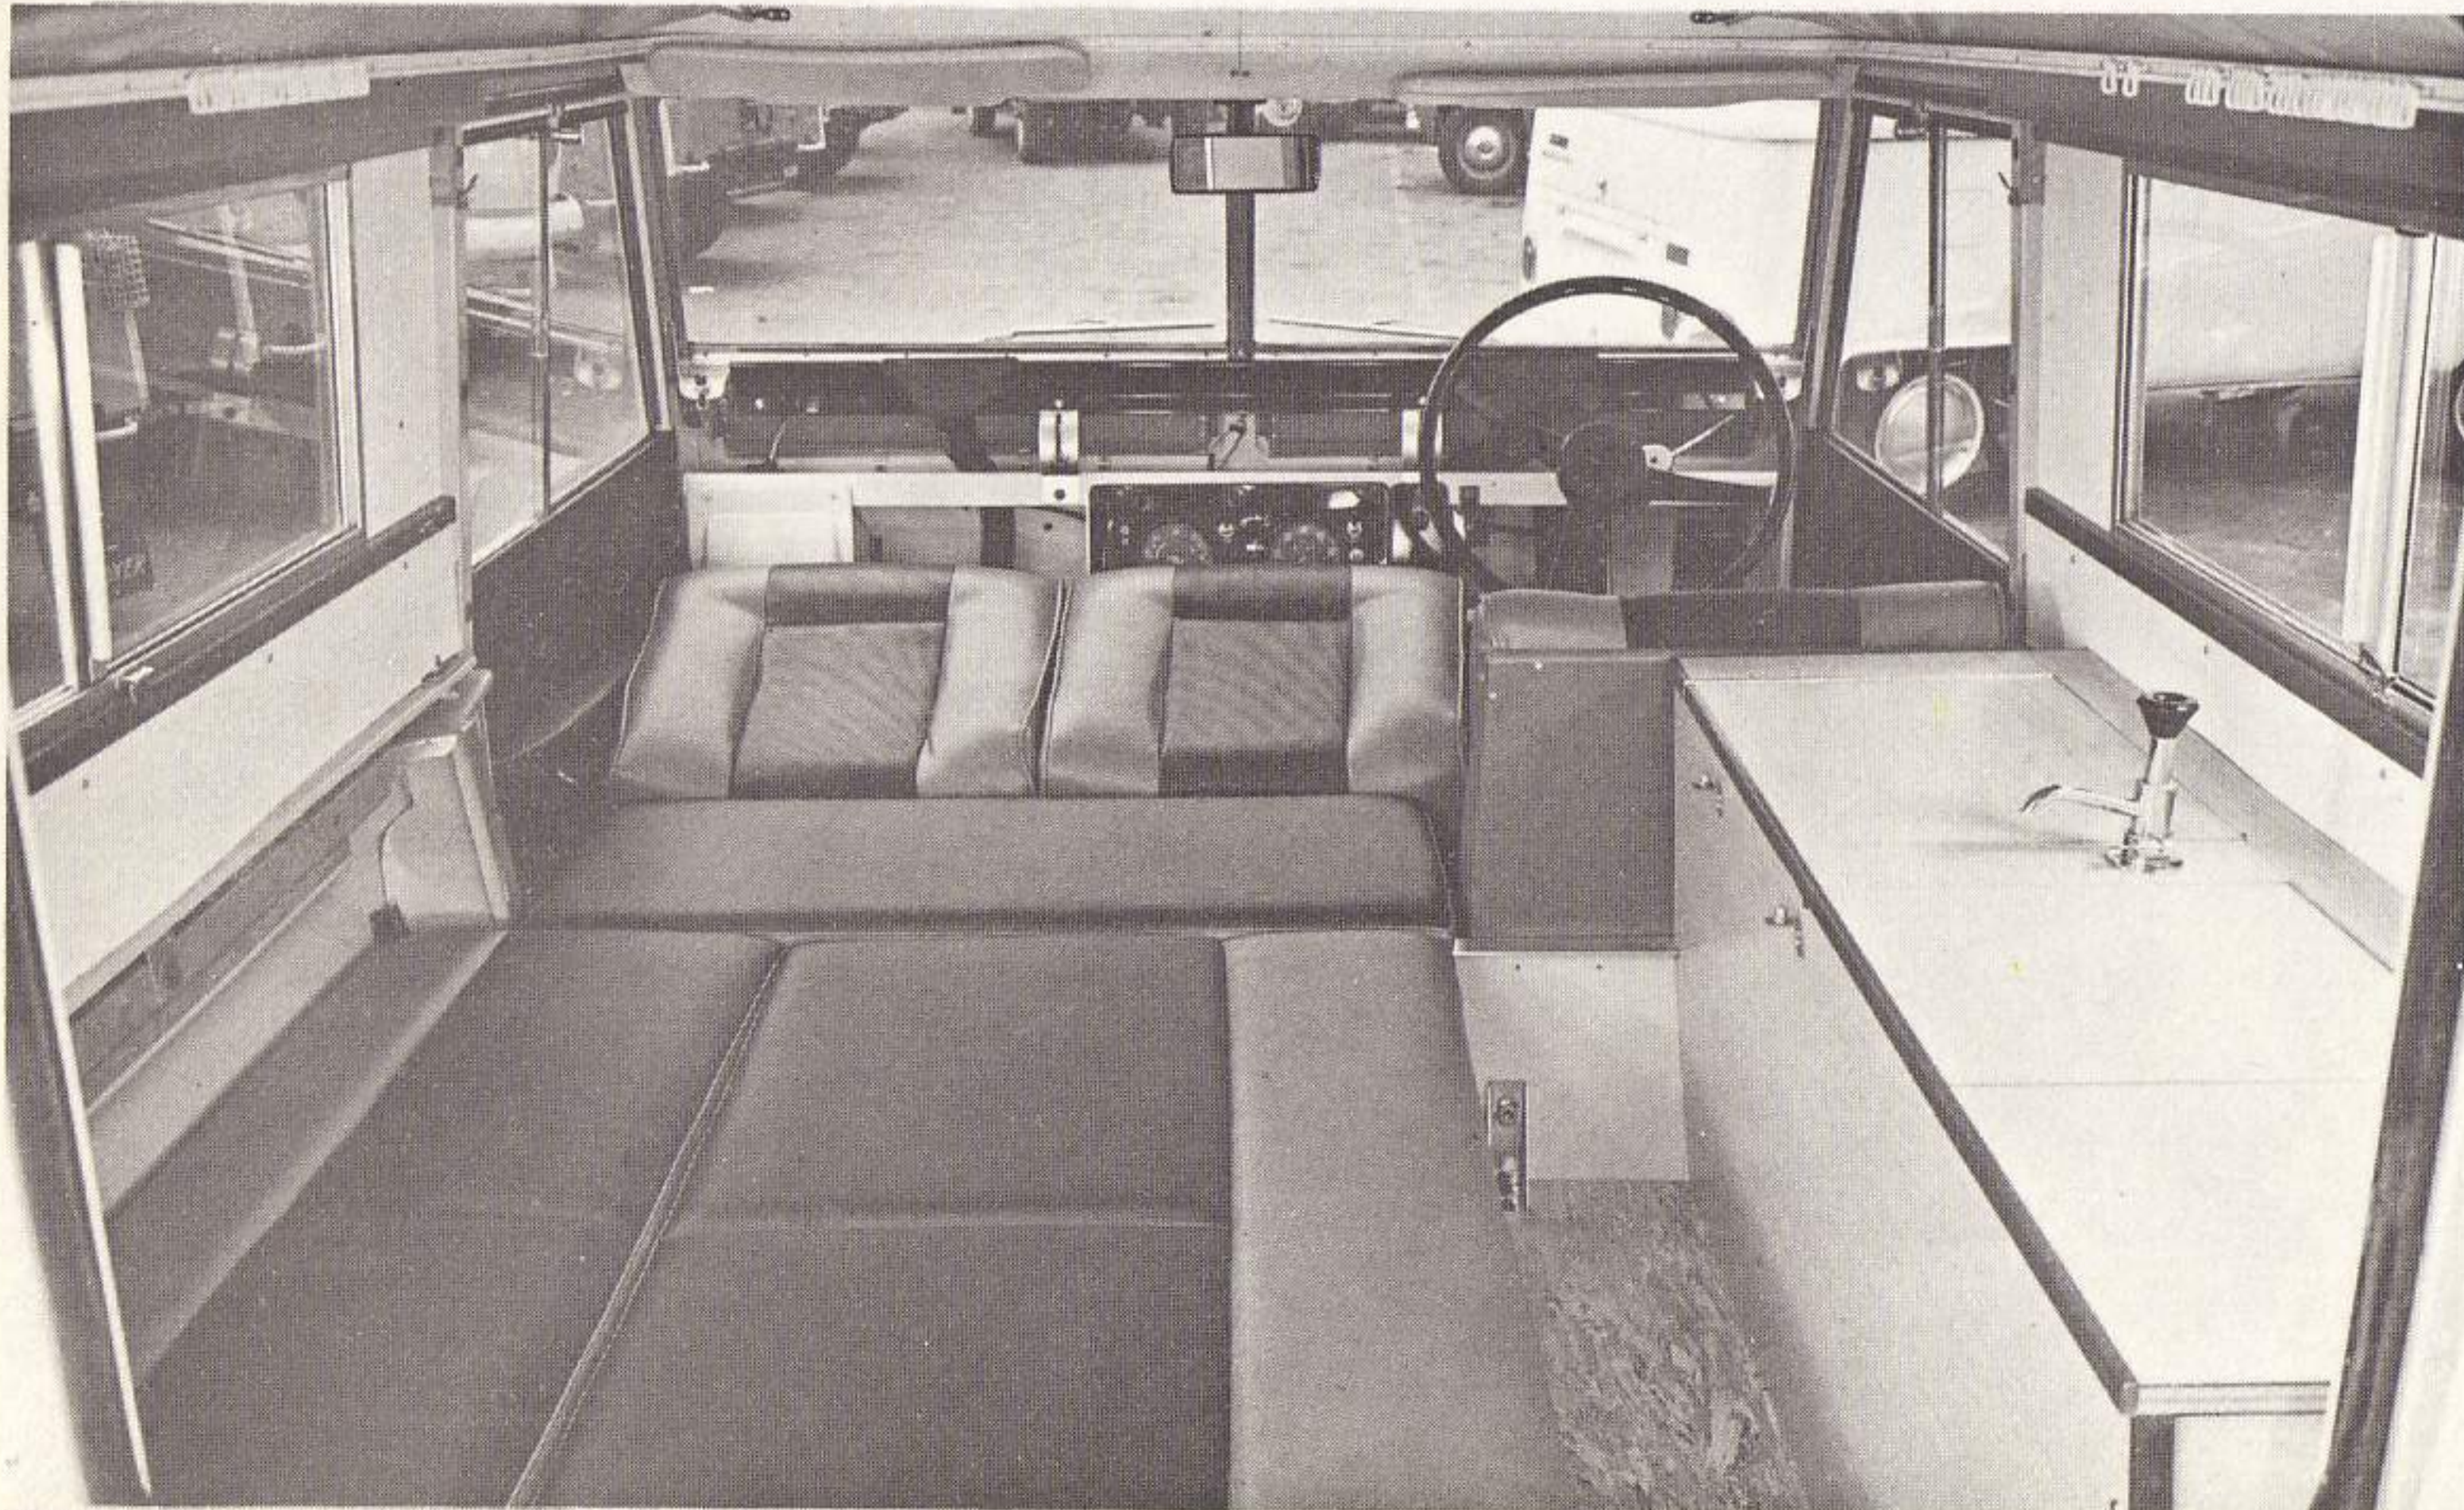

THE DESIGN AND QUALITY OF THE MINI-CARAWAGON IS TO THE HIGHEST STANDARDS. Cabinet work is constructed from double formica laminate with solid mahogany edging; pseudo leather upholstery is on aircraft quality foam cushioning and flooring is of foam backed P.V.C. Anodized aluminium sliding side windows giving panoramic visibility have mahogany and vinyl interior trim.

*The Mini-Carawagon size makes it the ideal town car for present day traffic conditions; the high seating position gives superb visibility and the massive bumpers and separate box section chassis give a high margin of safety.*
